

# Regular Tune-ups are good for cars AND heating systems too!

Having your heating system precision tuned and professionally cleaned by Labrador Mechanical, Inc. is your best bet for dependable comfort, safety, and lower utility bills. Just as your car runs more cost efficiently and more reliably with a tune up, so does your home heating system.

Call the heating experts from Labrador Mechanical, Inc. You can rest assured that a complete precision tune-up, professional cleaning and safety inspection of your heating system will have your system ready to keep you warm and comfortable all winter long.

Now is the best time to have your heating system precision tuned because we're offering pre-season savings, before the busy season hits.
